5th January 2017

Dear Parents / Carers,

Welcome to the Spring Term, I hope you all had an enjoyable break with your families. It was lovely to see all the children back at school and ready to learn on the first day back. Following our assembly we talked about resolutions and agreed we would try hard this year to help, be kind and persevere. The classes have been busy creating a resolution tree for the hall with all their New Year resolutions displayed.

The end of term saw another successful Christmas Fair. The main purpose for this is to bring families and the community together and we would like to extend a huge thank you to Mr Wilson, Ms De La Cruz and all the staff team for making this possible.

The Spring Term will be a busy time at Iveson as we await the proposals for changes to the building re the expansion – we will share these with you once they arrive.

Following some discussions about the start of the school day we have decided to trial a change to how this will be for Key Stage 2 to better accommodate movement in classrooms and corridors due to the increased number of children. The children now come straight into school on arrival, hang their coats up and enter class. Staff are available at the doors to welcome the children and speak to you should you need to chat with a member of staff or leave a message for your child's teacher. We will trial this for half term and request feedback from the children and parents just prior to the February half term.

As I am sure you will be aware our new website is up and running and can easily be accessed on your phone, tablet or computer. We would welcome any feedback on this and would ask you to refer to this regularly to ensure you are up to date on all things Iveson, including term time dates and policies, key documents and other related information.

Going Green – We are looking at how we can have a more eco – friendly approach to school. Please can you complete the box below to indicate how you would prefer to access information sent from school. So we can consider what, if any action to take.

Yours sincerely

Hayley Marshall
