Headteacher: Hayley Marshall

24th March 2017

Dear Parents / Carers,

We have once again had a number of complaints from local residents with regard to inconsiderate parking. This issue has also been brought to my attention from the local councillor as a key area of concern at local surgeries.

As a school we are working with the council to investigate how we can best address this but any plans will obviously take time.

I would therefore request that when dropping your children off you consider where you are parking.

Please do not block driveways or park in the manner that makes crossing roads dangerous for children and difficult for parents with prams / pushchairs.

Residents should be able to access their drives and pull out of them safely.

As Head at my previous school I have witnessed a child knocked down because of these very issues and do not want to be writing to you to say one of our children has been injured.

Thank you in anticipation of your more considerate parking.

Yours sincerely

Hayley Marshall
Headteacher
