My Health, My School Survey 2016/17

Dear parent/carer,

We are writing to inform you that your child's class/year group (Year 5 & 6) will be participating in a survey called **My Health, My School Survey 2016/17**.

The survey is being organised by the Health & Wellbeing Service, Leeds City Council and will take place over the next few days. The survey asks questions relating to the health outcomes of the Leeds Children and Young Peoples Plan agenda and aims to gather children and young people's views on their health and wellbeing and their school.

The survey is completely anonymous and so your child will not be asked to give their name at any stage during the survey. It will not be possible for anybody, including the school or Leeds City Council, to know who gave the information.

The school will be able to use the results to improve health and wellbeing provision across the school. Leeds City Council will also use the results to inform action plans and prioritise needs across the city.

If you do not want your child to take part in this survey, then please complete the slip at the end of this letter and return it to school by Thursday 29th June 2017 or send us a WhatsApp message.

If you have any further questions about the survey, then please contact Mr Everett.

Regards,

Mr M Everett
Assistant Head Teacher
