## Den day on Tuesday 25<sup>th</sup> July 2017

Dear parents/carers

Your child has an opportunity to be part of a fantastic den day.

Here is a quote from Chris Harman who will be working with year 6

*'We can start off in the classroom planning and designing then head out to build the dens. The challenge of the day is to build a team shelter that will keep you dry, using lots of buckets of water to try and get them wet!! We work round normal breaks and lunch. If the kitchens could organise a pack up they could always eat lunch in the dens. The workshop will finish 20mins before the end of the school day. **The cost for the day is £300.'***

As the quote above states the cost is **£300**, which is quite a substantial amount for school to pay, therefore I am asking for a **£5 contribution** from each student, which will add up to just below half the amount asked, as the school will pay the remaining balance.

The den man has provided workshops in school before, and it has always been a great day, with lots of teamwork and cooperation, plus it will be the last time our year 6 will all be together before they begin their journey as High School students.

I would like to say how much your continued support has been appreciated!

Regards,  
Mrs Michelle Weaver

### Giving consent for this visit / activity

Parents may give consent for this visit directly by using the school's WhatsApp number. In doing so you acknowledge that you have been fully informed about this visit/activity and you are giving consent for your child to participate. You also agree to inform the school of any changes to your child's medical condition or individual needs, agreement to medical treatment and any changes to emergency contact numbers.
