Dear Parent / Carer,

As part of the new School Food Standards, schools are required to ensure milk is available during the school day to pupils who want it. Milk remains free for children until the term after their fifth birthday and those who would be entitled to Free School Meals (FSM). FSM are available to some children according to family income and should not be confused with Universal Free School Meals that are available to all Reception and Key Stage 1 pupils.

For children that do not qualify for free milk or FSM the cost for this term is £7.00. This will provide a daily drink of milk from Tuesday 5th Sept –Friday 15th December 2017. Please complete the form below and return to the school office with any payment as soon as possible but **no later than Tuesday 18th July 2017.** **If you miss the cut-off date your child will be unable to have milk for the rest of the term.**

Please return the slip even if you do not wish your child to have milk. Milk is ordered in advance and cannot be provided without payment or the completed form. Unfortunately no refunds can be given if you decide to discontinue with milk during the term.

Yours sincerely

Hayley Marshall
