St Anne's Adult Learning: Course Information

Courses are FREE if you are on benefits, asylum seekers or refugees

Basic Computer Skills

For beginners. Practice keyboard skills, create and save documents, use the Microsoft Word program, create an E-mail account and search the internet.

ESOL (English for Speakers of Other Languages)

There are three levels of classes: Pre-Entry for those with no English, Entry 1 for those who have basic English communication skills, Entry 2 to practice English grammar and comprehension skills.

Listening and Pronunciation

For Entry 3 and Level 1 ESOL learners wanting to practice functional conversational English and listening and pronunciation techniques.

Literacy

For people with English as a first language and also for those with good ability in English as a second language. This course is designed to help learners improve their literacy skills and move on to an accredited Level 1 Literacy course. It incorporates spelling, punctuation and grammar concepts, reading and comprehension skills.

Health and Social Care

This course looks at the skills and attributes needed for a career in the health and social care profession. The roles and responsibilities of different jobs in the sector and various career pathways and how to pursue them.

General information for all courses

These are all first step courses to give learners the confidence and skills to do further courses and gain qualifications in future.

Courses last 8 weeks and learners will attend one class per week for 2.5 hours. We provide learners with information about where to continue their learning when courses at St Anne's finish. Classes are small with between 8 and 12 learners. Learners need to be 19 years or older. Learners should attend every session. *If classes fall below 8 learners for 2 consecutive weeks, they will close.*
