Newsletter

Dear Parents/ Carers,

Welcome to the second part of the autumn term. It was lovely to see so many of you at our spectacular firework display last night. I hope you and your families all enjoyed the event. As always a huge thank you goes to the Friends of Iveson who work so hard to organise these events. We are delighted to announce that this year they raised an impressive £627.31 profit. As always the money raised is used to benefit the children. This time it is being used to buy new playtime equipment to enhance lunch and play sessions.

Iveson Passport

In line with our Iveson Passport which ensures children have the opportunity to experience a wide range of visits and visitors to enhance their learning we have Year 6 setting off on their residential visit to Herd Farm on Monday. They are all looking forward to trying out their skills and experiencing a wide range of outdoor adventure activities. We also have Year 3 going on a visit to Goole Waterways Museum and a group of Y3/4 children going to the Able Maths Day with other children from schools in our cluster.

We are focussing on science this month so in addition to the curriculum science the whole school will be involved in an exciting Science Day event on the 1st December. There will be a whole school assembly to start the day and a series of exciting workshops for each class.

Look out on class newsletters, the website and class blogs for the visits and visitors arranged for your child's class.

Other Updates

We also have the Mindmate Assessment team in today looking at how we support our children, families and staff to be mentally healthy. We will let you know the outcome of this and of our bid to secure M&S funding as soon as we hear.

Premises and Grounds

We are expecting an update on the school building work within the next week, whilst we appreciate there has been a slight delay on this we believe this is in the best interests of the school as it will ensure that the whole building is improved and brought up to a good standard. We will share plans with you all once they are finalised.

www.iveson-primary.co.uk

It is lovely to see that the roof has now gone on our stone circle in the secret garden meaning the children are able to use this space all year round. We want to tackle the orchard area next so if there are any green fingered parents out there who would like to volunteer it would be greatly appreciated.

Parent Governor

After many years of hard work as a Parent Governor and following her sons move to High School we are saying good-bye to Linda de la Cruz, we appreciate her commitment to the school over the years and are delighted she will remain a key member of Friends of Iveson. This now means we have an opening for a new Parent Governor. Parent voice is an essential part of the Governing Body and we are keen to support any interested parents to take up this role. If you would like to meet myself and Linda Walton Chair of Governors to discuss this further, please phone the office and we will arrange an informal meeting to explain the role and answer any questions you may have.

We are also supporting the Poppy Appeal and have poppies available at the school office alongside other Royal British Legion accessories.

For further up and coming important dates in the school calendar please keep a look out on our school website.

Yours sincerely

Hayley Marshall
