Year 6 Revision Guides

Dear Parents/Carers,

All Year 6 pupils will bring four study and question books home today. These are an important resource in the run up to the SATs examinations at the end of Year 6. We will require these books to be used both at home and at school during the next two terms. These books are for the pupils to use, they may annotate and work directly within the books and they will not be required to return them.

The contents of the study and question books will not only help pupils prepare for their Year 6 examinations, they will also help to ensure that solid foundations are in place before the transition to High School in September.

As a class, we will be using these books throughout the rest of the year and certain elements will be given as homework to complete. In addition, pupils will be expected to work independently on areas they currently find difficult. We are happy to mark and/or correct any work they complete within these books and additional study sessions will be arranged during the Spring Term.

There is no charge for these books at this time, however, pupils will be expected to replace any lost books at a cost of £5 per book.

If you require any further information please do not hesitate to contact us at school,

Regards,

Miss Armitage & Mrs Tarrant.
