## Year 6 Breakfast

Dear Parents/Carers,

As you are aware, this is a very important time in your child's primary school life. Applications have been made for high school and pupils are preparing for important examinations due to take place later in the school year. In order to ensure that each pupil has every opportunity to reach their full potential, we have planned various initiatives that will take place between now and the end of the academic year.

The first initiative is due to take place this week. Please see below for full details:

**Event:** *Mock Exams Week Breakfast*

**Days:** *Tuesday 30th January – Friday 2nd February (4 Days)*

**Time:** *8:15am – 8:45am*

**Location:** *Year 6 Classroom door to register with Miss Armitage*

**Additional Details:** *Pupils are invited to join us for a **free breakfast** in order to ensure that they have the best start to their day. This is to replicate the provision that will be in place during the week of the SAT's. Pupils will be completing mock papers to give them the full experience and ensure they are fully prepared to reach their full potential.*

This is a really important initiative and we would like to encourage all pupils to attend each day. If there are any barriers to your child attending, please let us know by sending a WhatsApp message to school. We hope to see all Year 6 pupils for a slightly earlier, but nutritious start to the school day. Any additional dietary requirements can also be communicated through a WhatsApp message.

Kind Regards,

Miss Armitage, Mrs Tarrant & Mr Everett
