World Book Day

Dear Parents and Carers,

This year, to celebrate World Book Day, we are planning an exciting day of events on

Thursday 1st March 2018.

In Key Stage One and Early Years (Nursery, Reception, Years One and Two) teachers will be planning work based on a book by the author Julia Donaldson. In Key Stage Two (Years Three, Four, Five and Six) teachers will plan activities based on a book by the author Roald Dahl.

Children will work in their classes as usual in the morning and during the afternoon, they will be given the opportunity to work on art or other creative based activities to develop their understanding of their particular book. Make sure to check the class blogs for photographs and updates of the day's events.

We would like the children to dress up as a book character, with prizes for the most inventive homemade costumes.

As part of this international celebration, the children will each receive a World Book Day Book Token which then can be used at one of the large book retailers in Leeds who will stock the limited edition World Book Day books. Alternatively, children can save the book tokens and use them at our forthcoming Book Fair later in the month (more details to follow) Last year's fair was incredibly successful, so we are aiming to beat the total this year!

We look forward to the day which will contribute to the school's aim of developing and creating a love of books and of reading for pleasure.

Yours Sincerely

Lindsay Collinson
English Subject Lead
