## End of Spring 2 Newsletter

Dear Parents / Carers,

As we finish today for Easter we would like to wish you all a lovely holiday. The Easter Bonnets excelled themselves once more and have proved to be very creative. Judging is taking place this afternoon. It has been a very busy term as we have continued to work hard to provide the best education possible for all our children. We were therefore very pleased when this was noted at our recent learning three. A huge thank you to all the children and staff for all their hard work.

We finally are at a point where we have greater clarity on the building work final agreements that will take place over the Easter break so we will write with details of the phases once we have final confirmation. We appreciate the time some of our parents took to look at the plans, if you wish to see these they will be on display after Easter in the entrance area.

Many of you will have heard that new regulations are coming in relation to Data Protection as such permissions for somethings have to be more explicit – please see the website for further details and the form. Please note we do like to celebrate children's achievement on the school blog, we would not publish full names with pictures here.

It is also the time of year we would like your view of the school – the Parent Questionnaire is live on the website now! Thanks to all of you who have already responded. We would encourage you to fill this in so we can get a good representation of where the school is at. As in previous years we will respond to this once all have had the opportunity to respond. Closing 26<sup>th</sup> April 2018.
