## Premier League Primary Stars Award

Dear Parents / Carers,

We are delighted to announce that we have teamed up with the Premier League and Manchester United Football Club to provide an outstanding opportunity for selected pupils across Key Stage 2. We have secured 30 places to visit Old Trafford, the home of Manchester United for an educational visit that will involve a Stadium Tour, an Educational Session linked to nutrition and pre-match preparation, entrance to the Museum, an opportunity to try on the official Manchester United kit and boots and meet some of the footballers.

This fantastic opportunity will be open to all pupils across Key Stage 2 in receipt of a Premier League Primary Stars Award. Each Friday, we will be presenting three awards to pupils achieving the very highest standards across school. These awards will be presented for exceptional achievement within the areas shown above; being ambitious, being inspiring, being connected and being fair. Any child in receipt of an award over the next 10 weeks will be invited to join the free visit; there will be no charge to parents.

Pupils have been encouraged in an assembly this week to consider how they will show these values across their school day; throughout every area of the curriculum. We will post details each week on our school website and Twitter Feed of the successful pupils. The date of the visit will be **Friday 20<sup>th</sup> July 2018**.

Kind regards,

Mrs. Bowes  
Year 5 Class Teacher
