Spring Bank Holiday Update

Dear Parents/Carers,

I am writing with a few updates before we close for the Spring Bank Holiday.

May I remind you all that we close today and re-open on **Tuesday 5th June**. Term dates for the rest of this academic year, together with those for 2018/19, are available on our website using this link: <http://iveson-primary.co.uk/parents/diary-dates/>

I'd like to thank the parents who attended a meeting as follow up to our Parent Questionnaires, whilst these were overwhelmingly positive we recognise we could improve some aspects. The fruitful discussions we had will support us in developing more accessible homework, improving communication and reporting on progress. We will also be offering training videos and, at the start of the new school year face to face sessions, on how to use the school website. Further information will follow over the next half term.

Regards

Hayley Marshall
