Headteacher: Hayley Marshall

Year 4 Personal, Social & Health Education

Dear Parents / Carers,

As part of the school's Personal, Social and Health Education programme, your child will soon receive a unit of lessons on physical changes.

The purpose of this unit is to provide knowledge and understanding of how the human body changes during puberty. Please note that boys and girls will be split into separate classes for these sessions.

If you require further information, you can access a full overview of the PSHE curriculum on our school website: <http://iveson-primary.co.uk/curriculum/> or speak to a member of school staff.

Regards,

Mrs Rhodes
