My Health, My School Survey

Dear parent/carer,

We are writing to inform you that your child's class/year group (Year 5 & 6) will be participating in the **My Health, My School Survey 2017/18**.

The survey is being organised by the Health & Wellbeing Service, Leeds City Council and will take place on Thursday 19th July. The survey asks questions relating to the health outcomes of the Leeds Children and Young Peoples Plan agenda and aims to gather children and young people's views on their health and wellbeing and their school.

The survey is completely anonymous and so your child will not be asked to give their name at any stage during the survey. It will not be possible for anybody, including the school or Leeds City Council, to know who gave the information.

The school will be able to use the results to improve health and wellbeing provision across the school. Leeds City Council will also use the results to inform action plans and prioritise needs across the city.

Please also note that as we do not currently have a computer room in school, we will be walking up to **Ralph Thoresby High School** to use one of their computer labs. We will be leaving and returning during the regular school day and all pupils must wear full uniform. Please use the link below to give permission.

If you have any further questions about the survey, then please contact Mr Everett.

Regards,

Mr M Everett
Assistant Head Teacher
