Headteacher: Hayley Marshall

Year 6 Sex and Relationships Education (SRE)

Dear Parents / Carers,

As part of the school's Personal, Social and Health Education programme, your child will receive a unit of lessons on relationships, sexual health and personal safety. This will follow on from work already completed in Year 5. For more information, please refer to the Curriculum Page of our school website and navigate to the PSHE section: <http://iveson-primary.co.uk/curriculum/>

The purpose of Sex and Relationship Education (SRE) is to provide knowledge and understanding of how the human body changes during puberty and the processes of human reproduction, within the context of relationships based on love and respect. It should develop understanding and attitudes which will help pupils to form relationships in a responsible and healthy manner and to appreciate the value of stable family life, including the responsibilities of parenthood and marriage.

You may, following discussion with the Headteacher, request to withdraw your child from some elements of the SRE lessons. In making this decision, you should think carefully about:

1. How your child will learn this information.
2. The fact that your child will no doubt hear about the content of lessons from other children and this may be an inappropriate and unsafe way.

Please speak to the Headteacher before making any decision to withdraw your child. If you still plan to go ahead, your decision must be given in writing.

Regards,

Mr M Everett
Assistant Headteacher
Iveson Primary School
