Able Maths Day Yr5 & Yr6

Dear Parents/Carers,

At Iveson Primary, we strive to challenge and support our young Mathematicians.

Your child has been identified as someone who is working above their year group expectations in maths and we would like to celebrate this early in the new academic year.

We would like to take your child, with a small number of other pupils, to an exciting 'Able Maths Day', held at Ireland Wood Primary School. Year 5 and 6 children will be working with one of the UK's leading maths consultants, Colin Fieldhouse, who has a wealth of experience as a former Primary School teacher. I am sure your child will gain a great deal from working with him throughout the day on many different activities. Other local primary schools will also be attending the event.

This will take place on **27th September 2018** for the **full day**. Children should arrive at school at the normal time and then our staff will walk up with them to Ireland Wood Primary School. Children should take their packed lunch if this is their normal lunch arrangement, otherwise if your child has school dinners, then we will provide a pack lunch for them to take. At the end of the session, the children will return to school for 3.15pm so normal after school arrangements can take place.

Please use the link below to provide consent for your child to attend the 'Able Maths Day' and remember to add any medical conditions in the extra information if required.

If you have any questions about the day, please contact the school and I will be happy to help.

Regards,

Miss Armitage
Y6 Teacher and Maths Co-ordinator

[Giving consent for this visit / activity](#)

Parents may give consent for this visit by using the online form. In doing so you acknowledge that you have been fully informed about this visit/activity and you are giving consent for your child to participate. You also agree to inform the school of any changes to your child's medical condition or individual needs, agreement to medical treatment and any changes to emergency contact numbers.

To give consent, please use this link <http://iveson-primary.co.uk/permission>
