Kirkstall Abbey

Dear Parent/Carer,

As part of our History and Geography curriculum, year 6 will be visiting Kirkstall Abbey, on **Thursday 4th October**, to witness the wonder of this historical site.

A visit always provides an exciting learning environment where pupils can explore history, geography and the world around them. This will be a great opportunity to promote questioning and thinking skills. We have many activities planned: a guided tour from a historical expert, a workshop about Tudor life in the Abbey, comparing and contrasting Kirkstall Abbey through different eras and even sketching the ruins.

The trip is free as the school has covered the cost of the workshop and our transport arrangements will be walking to the Abbey. Because of this, we highly recommend that children wear sturdy, comfortable walking shoes on the day and our school uniform as normal. Please also ensure that children wear coats/waterproof clothing as we will be outside for most of the day. We will be having lunch at the Abbey so if your child normally has a packed lunch then they should bring this. If your child has school dinners, a pack lunch will be provided by school.

We will be returning to school around 3pm so normal arrangements can take place at the end of the school day.

Please provide consent on the link below and remember to add any medical conditions in the extra information section. If you have any questions, please feel free to get in touch. Thank you for your support.
