Mastery Maths

Dear Parent/Carer,

To help us celebrate and support our children to develop higher level skills in maths, we, as a local maths trust, are inviting your child to come along to a series of Mastery Maths Workshops. Each of these workshops will focus on furthering mathematical skills within a problem solving activity, but will also bring the children into contact with other Y6s, who enjoy maths, as other local primary schools will be involved. This is a great transition experience too for Year 7.

Your child has been chosen because they are working at or towards an 'above average' ability in maths and we would like to challenge them further.

The schools taking part are: Iveson Primary, Ireland Wood Primary and Cookridge Primary School, with Ralph Thoresby hosting each workshop. Maths Leaders from the schools will be arranging and organising each event.

These sessions will take place after school. We will walk to Ralph Thoresby High School at 3.00pm, **but your child will need to be collected by parents/carers at 4.15pm from Ralph Thoresby reception or have permission to walk home from Ralph Thoresby.**

Please reply on Whatsapp indicating that you give permission for your child to attend and that you will either be collecting your child after each session or allowing them to walk home in the **additional information section.**

Here are the dates for the proposed Mastery Maths Workshops. Please put them in to your diaries:

1 – Thursday 11th October 2018

2 – Thursday 6th December 2018

3 – Thursday 7th February 2019

All to be held at Ralph Thoresby High School.

We are really looking forward to this new maths venture and look forward to sharing news about each event too! Please contact Miss Armitage if you have any questions or concerns.

Regards,

Miss Armitage, Mr Everett and Mrs Tarrant
