Autumn 2 Newsletter

Dear Parents/ Carers,

Welcome to the second part of the Autumn Term, I hope you all enjoyed the break. It was lovely to welcome the children back today and to see just how well the building is coming on. We appreciate your patience during this period, we now have all but Year 4 and One Year 5 class not in their permanent classrooms and are nearing the completion of the new main entrance. I am pleased to report we are currently on track for all the work to be completed by March. Further Information of our grand completion event will follow in the Spring Term.

The Year Six children all arrived at Herd Farm safely and were welcomed by Miss Armitage, Mrs Bowes, Mrs Tarrant and Mr Everett. I am delighted to report that 100% of the Year 6 children are attending this year. I am sure we will hear more of their adventures as the week progresses.

May I remind you all that the Poppy competition is on Friday with all entries needing to be by Wednesday this week – We look forward to seeing just how creative Iveson children and families can be! We will of course ensure we post pictures of the full display on the website.

Poppies and other related goods are available to purchase in school with all funds raised going to the British Legion. This year we have poppies for a minimum donation of 20p, Erasers, Reflectors, pencil sharpeners and pencils for a suggested donation of 50p and Rulers for £1.00.

Parent Consultations are next week – please visit the school website to sign up for an appointment if you have not done so already.

It has been brought to my attention this morning that some parents are bringing in breakfast for their children and asking school staff to give them this. If children are attending breakfast club they need to select from the breakfasts provided by the school. This is to ensure we are not inadvertently letting products containing nuts in to school and are able to ensure the safety of all the children as well as ensuring we adhere to the Healthy Schools standards.

Please can all parents ensure the safety of their children and themselves by using the pedestrian path when arriving and leaving school. For those of you who drop children off in cars please ensure you do not park on the yellow zig-zags when dropping children off or picking them up from school – we do report cars we see doing this and request the traffic police attend school and take action accordingly.

Yours sincerely,

Hayley Marshall
