

## Nursery Newsletter Autumn 2

### Personal, Social & Emotional Development

We will be continuing to build relationships with friends, both new and old, by playing alongside one another during provision and showing friendly behaviour. We will also be carrying out small tasks for the classroom, such as tidying, and helping adults during snack time. We will be learning to adapt our behaviour within different contexts by engaging in new activities.

### Communication & Language

We will be focussing on conversations and speaking in full sentences as part of our Key Worker times. We are enjoying using our language skills to help us learn within provision.

### Moving & Handling

Nursery will be continuing to build our gross motor skills through singing and dancing. We are also going to enjoy feeling dough as we bake bread.

We are very excited to be beginning our Stay and Play sessions again. These will be on Wednesdays.

AM: 8:45-9:10. PM: 12:15-12:40

### English

Nursery are continuing their work in Phase One phonics, especially focussing on recognising environmental sounds as well as instrument sounds.

### Maths

Within number we will be building our understanding of the numbers from 0-5, and will begin to count from 1-10. For shape, we will be building using differing materials within provision.

### The World

We will be learning about seasons as well as our families as the half term progresses. We will also be talking about things we have observed within listening walks as well as outside of school.

### Expressive Arts

We will be exploring colours as well as materials by making artwork based around seasons as well as all the winter festivities. We are looking forward to showing you the brilliant artwork.

*Class Blogs: to facilitate the learning process, we regularly post learning materials online. The content of the Class Blogs will enable parents to support their child at home.*
