Number Day 2019

Dear Parents/Carers,

We are very excited to be celebrating **NSPCC Number Day on Friday 1st February 2019.**

Children will be taking part in a 'Mega Maths Day', completing fun and challenging activities to bring maths alive. Across the school, children will be working collaboratively with pupils from different year groups.

In addition, we will also be raising money for the NSPCC charity (National Society for the Prevention of Cruelty to Children).

Children are invited to **dress up with a number related theme** and **bring in a donation** for the charity (£1 is suggested). This could be simply wearing an outfit that has a number on the t-shirt or perhaps you would like to get inventive and create a homemade costume (perhaps create a piece of Numicon, a fraction, dice or even a pie/pi idea). Several prizes will be given out for the most imaginative ideas.

We are looking forward to this marvellous maths day; we are sure the children will enjoy it too.

Please check class blogs to see photographs and updates on what the children have done on the day.

Regards,

Miss Armitage

Maths Lead, Y6 Teacher and KS2 Phase Leader
