Aurora Planetarium

This half term, we are going to be starting our Space topic. As part of the topic, the children will learn about the movement of the Earth and other planets.

To enhance this experience, we are welcoming Aurora Planetarium who's aim is to explain the Solar System and Space beyond our small planet in an immersive theatre environment whilst inspiring young minds in the process.

As the planetarium is coming to school, pupils **will not** be leaving the school premises. This means that no additional arrangements will be needed as it will take place during normal school hours and you will not need to give online permission. The event will take place on **Wednesday 9th January 2018**. We are asking for a contribution of **£4.00** to go towards the cost of this exciting opportunity. Children will need to come in their full school uniform.

If you have any questions, please do not hesitate to contact us.

Kind Regards,

Mrs Bowes and Mrs Fawcett

[Giving consent for this visit / activity](#)

Parents may give consent for this visit by using the online form. In doing so you acknowledge that you have been fully informed about this visit/activity and you are giving consent for your child to participate. You also agree to inform the school of any changes to your child's medical condition or individual needs, agreement to medical treatment and any changes to emergency contact numbers.
