

Nursery Newsletter Spring 2

Personal, Social & Emotional Development

During the Spring term, Nursery Children will be enjoying developing their PSED skills by playing together in our Early Years provision, and working together on challenges that make us think.

Key Focus: Listening to peers, and working together.

Communication & Language

This term Nursery Children will be building their communication and language skills through conversation and circle times.

Key Focus: To talk in group settings with both children as well as adults.

Moving & Handling

Nursery children will be practising their gross motor skills in preparation for beginning writing.

How you can help: by encouraging messy

People Who Help Us

English

Nursery children will be continuing to build our love of stories by reading together every day. **How you can help:** Reading stories together and talking about books are great ways to boost language skills.

Maths

We will be practising counting with 1-1 correspondence and using numbers in our play. **How you can help:** Look for opportunities for your child to count things in real situations. Eg. How many bananas do we have left?

The World

Nursery will be looking at people who help us in our daily lives and the people that help others.

Key Focus: Talking about our daily lives and the people we love.

Expressive Arts

We will be exploring how colours, shapes, and textures can mix and combine to create new sensory experiences. We will be roleplaying as police officers as well as other emergency service people.

Class Blogs: to facilitate the learning process, we regularly post learning materials online. The content of the Class Blogs will enable parents to support their child at home.
