

Reception Newsletter Spring 2

Personal, Social & Emotional Development

This half term continue to focus on team building and making relationships. We will support children in negotiating with peers and working together to achieve a goal.

Communication & Language

This half term we continue to focus on new vocabulary, adding to the 'Wow Words' wall weekly. We will be encouraging the children to explore the meaning of words and supporting them to extend their speech.

Moving & Handling

This half term we will continue to focus on correct letter size and formation. Will we support children in developing their scissor skills and enhancing their fine motor skills. Thread activities are a great way of building hand muscles.

People Who Help Us

Visitors: The Police, Vet and Dentist

English

The children will learn the phase 3 phonics phonemes *ai, ee, igh, oa, oo,* and *ar* and continue to use common exception words in their writing. We will focus on writing simple captions and simple sentences for a purpose. We will write a pancake recipe, invitations and thank you letters to our visitors.

Maths

We will recap the value of each number to 10 in depth and use this knowledge to support children to answer addition and subtraction problems. The children will continue to learn about doubling and halving, as well as shape and time. Some children will be ready to investigate the value of two digit numbers.

The World

This term the children will learn about different jobs and ways of life that people have. This will include visits from People Who Help us including the Police, Vets and Dentists.

Expressive Arts

This term we will focus on musical instruments and exploring the different sounds they make. The children will learn how to replicate repeated rhythms.

Class Blogs: to facilitate the learning process, we regularly post learning materials online. The content of the Class Blogs will enable parents to support their child at home.
