## Spring 2 Headteacher Newsletter

Dear Parents / Carers,

Welcome to the second part of the Spring Term. We look forward to welcoming you all to Parents Evening this half term and hope you have found our new booking system easy to use. We would encourage as many parents as possible to attend so we can ensure you have an up to date report on your child's progress. If the date or time is difficult please contact your child's teacher who will try and arrange an alternative.

We are nearing the completion of the building work though this was slightly delayed by the burst pipe in Early Years at half term. Thankfully the school's premises team and Henry Boot worked tirelessly to ensure it was all sorted for the children returning.

The library furniture is arriving over the course of next week and we look forward to re-opening the library to the children by the middle of March.

We obviously want all our families to have the opportunity to see the school once it is completed and we will be holding an opening event – details to follow.

May I remind you all to visit the school website to view class blogs and for a wealth of information on how to support your child.

We are aware that in these days of social media it can be difficult to keep up to what the children are interested in or playing on. We work hard to ensure we keep you as up to date as possible on these matters and regularly add new information to our website.

I look forward to seeing you all at Parents Evening and Good Work Assemblies over the coming weeks.

Yours sincerely

Hayley Marshall  
Headteacher
