National Breakfast Club Programme

Dear Parents / Carers,

We are delighted to announce that Iveson Primary School has joined the government's National School Breakfast Club Programme (NSBP).

This means that all our children will be able to have a delicious warm bagel!

Children who attend breakfast club will have bagels as one of their choices (please note there is still a £1 charge to cover child care). For children who do not attend breakfast club, warm bagels will be available in the playground between 8:40 – 8:50am.

We launch on Monday 11th March so arrive early and enjoy a bagel!

Yours sincerely

Hayley Marshall
Headteacher
