Headteacher Newsletter

Dear Parents/Carers,

I hope you are all looking forward to the half term break and hopefully some milder weather. As always it has been a busy term here at Iveson and the children have continued to work hard and produced some fantastic work. The visitors and volunteers we have had in school this term have once again commented on how polite the children are and how supportive they are of one another. This was further emphasised today when it was lovely to see so many of the staff and children turn up in red to support and raise awareness for the Children's Heart Surgery Fund thanks to your generosity we have raised £177. We'd also like to thank you for the £65 we raised earlier in the term for the NSPCC.

We are saying good-bye to Mr Patel today who has been the Business Manager here for the last four years. Mr Patel has played a key role throughout all our building work and has been instrumental in making Iveson what it is today. He still has a few plans he hasn't yet seen come to fruition, the bus and Japanese garden to name two! I am sure you will join me in thanking him for all his hard work and I am pleased to say he will be staying on as an associate governor.

I'd also like to say a huge thank you to our PTA who organised and ran the Valentines disco, the children had a great time and even persuaded the staff to join in the conga! I know they are working really hard to raise funds for the first stage of the bus conversion so keep an eye out for events in the next half term. I know this will include our annual Easter Egg competition – I look forward to seeing all the brilliant ideas this year as the standard seems to get higher each time we run this!

I hope you all have a fantastic half term and we will see you all on Monday 24th February.

Yours sincerely,

Hayley Marshall
