January 16, 2017

Dear Parent/Carer,

Happy new year, and welcome back to the Spring term at Iveson Primary School.

I am very pleased to be continuing my role as class teacher to Year 4, and looking forward to meeting you in due course.

Please find overleaf the overview for this half term, giving you details of all the wonderful teaching and learning that will be taking place.

Our main theme, Natural Disasters, will be linked into most of our curriculum learning. If you can remember or have an experience, of a natural disaster, please share this with your child so they can report back to the class. We are all looking forward to our school trip on Tuesday January 24th 2017 as well as our den building experience at school the day before.

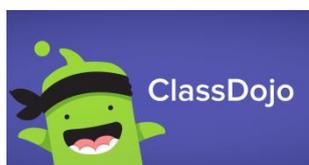

We will also be continuing swimming lessons on Thursday, and violin lessons on a Wednesday afternoon.

Mr Plant will now be in our class every morning to assist with group work. This is a fantastic addition to our working environment.

Thank you for supporting your children with their reading (3 times a week), with learning their spellings and completing their homework.

If you have any queries or questions about your child's learning or well-being, please do not hesitate to contact the office, who will arrange a convenient time. We are always happy to help.

Mrs Naomi de Klerk
Year 4 Swifts
