24th July 2018

Dear Parents/Carers,

I would like to take this opportunity to wish you and your families a fantastic summer and update you on plans for September. As you will be aware from our website the building work is continuing at a pace and is on track for the first phase being completed in September. On our return the work will have begun on our new Library and Computing area, along with the entrance and offices therefore the main office will be temporarily located at the old breakfast club entrance (pictures of where this is, are available on the school website). We have carefully planned where classes are located in September to cause the least amount of disruption and to ensure children only have to move classes once in the year. We really appreciate your support during this time, I assure you it will be worth it!

EYFS 1 & EYFS 2 – will come in through their entrance to the side of the main gate. The work in this part of school is taking place over the summer so the children will not have to move classes.

Year One – are initially in the two new classrooms in the old hall. The children will come in through the doors at the side of the original main entrance (where the old main hall fire doors are). They will be in this class until October after which they will go to their newly refurbished Year One class.

Year Two – will initially be in the old year three classrooms. They children will come in through the doors facing the field. They will be in this class until October after which they will go to their newly refurbished Year Two class.

Year Three – Wrens will initially be in what was Miss Lennons' class. As part of the building work an entrance door will be made in to the classroom so the children will come in this way. Jays will be in what was Mrs De Klerks class and will come in through the KS2 doors. Year Three will be moving in to the two new classes in the hall in October.

MindMate

Year Four – will initially be in what was Year 5 and Year Six the children will come in through the doors facing the playing field. They will move into their new classes in December (what was Mrs Ords’ and Mr Morrisons’ class).

Year 5 – Doves will be in what is currently Mrs Weavers class (the old activity room) and the children will enter through the KS2 Main doors and Hawks will be in what was Mrs Weavers’ room at the start of the year. The children will enter through a newly formed door off the Key Stage Two playground. Doves will move in to their new class in December.

Year 6 – will be located in the old ICT Suite, the children will enter through a newly formed door off the Key Stage Two playground.

A WhatsApp message will be sent shortly which will show pictures of the new entrances and a welcome from the teachers! We will keep you up to date with the build so watch out for pictures on the school website.

As is often the case at the end of term we are saying good bye to some staff, Mr Morrison is going to work abroad, Mrs Clay and Mrs Beecroft have new jobs, Mrs Anyan is on maternity leave and Miss Wilde is going travelling for a year but plans to return in September 2019. We wish all of them the very best and thank them for their hard work. Miss Grimshaw is getting married this summer so we also want to extend our congratulations to her.

We look forward to welcoming you all back in September to the first part of an improved Iveson!

Yours sincerely,

Hayley Marshall
