UKS2 Readathon

Dear Parent/Carer,

Thank you to all the year 5 and 6 children who have taken part in the Readathon last half-term.

We would now like to ask for all sponsorship money to be returned to school this week, by Thursday 18th April, along with the sponsor card. If you need an extra card, please see your class teacher.

Did you know that you can sponsor your child online? [Click here to donate for the Readathon.](#)

The sponsorship money will help to provide new books to our local children's hospital. If you want to find out more information about how the money helps children in hospital, then please [Click here](#). In addition to this, our school will receive 20% of the money raised to buy books for our brand new library.

We would like to take this opportunity to thank all pupils for participating in this exciting reading event and thank you to all parents/carers for supporting the children throughout this.

Miss Armitage, Mrs Fawcett and Mrs Bowes
