COVID-19 Update

Dear Parents / Carers,

Following the announcement yesterday from the Prime Minister I can confirm that school will continue to remain open.

Due to the unfolding situation with Covid-19 we have taken the decision to cancel Parent Consultation evenings. You will all receive a pro-forma with an update of your child's progress, please ensure we have an up to date email address to facilitate this happening – if you would like a follow up telephone consultation please contact the school office on or after 19th March between 10am and 2pm.

We've taken the decision to cancel Family Assemblies and Special Mention Assembly (Afternoon tea will take place as usual)

We will run the Book Fair, though slightly differently with children being able to bring home slips requesting the book they'd like. If you wish to purchase the book, please send the money in a named envelope with the slip.

We apologise for any inconvenience but the safety of the children is paramount.

We would like to take this opportunity to thank you all for your continued support during these unprecedented events.

In line with the most current advice, if a member of the household displays symptoms of coronavirus, then all household members must stay at home for 14 days. The 14-day period starts from the day the first person in the house became ill.

Yours sincerely

Hayley Marshall
