Educational Experience - Mobile Farm

Dear Parent/Carer

Due to COVID-19 restrictions, the children have been unable to visit a farm this year as planned, so we have booked the farm to come to us. We are delighted to inform you that a range of farm animals will be brought to school by a local farmer. They will be visiting Reception and Nursery on Monday 19th July.

The children will have the opportunity to learn about a range of farm animals and how to look after them.

In addition, the children will be given the option to pet and feed some of the animals. No child is expected to pet any animal if they are not comfortable doing so.

We require permission for this experience as well so please complete the link at the bottom of this letter to give consent for your child to take part.

In order for this experience to go ahead, we are asking for a contribution of £5 per child towards the cost of the visit. School will pay the outstanding balance. The deadline for the contributions is Monday the 12th of July.

We thank you for your continued support in what has been a very different year for our children, families and staff.

Kind Regards,

Mrs Sykes (EYFS Lead)
Miss Gray (Nursery teacher)
Miss McGill (Reception teacher)
Miss Wilde (Reception teacher)
