Headteacher: Hayley Marshall

Dear Parents / Carers,

We are delighted to inform you that we have recently signed up to the online payment system Pay360. This means that you will now have the facility to make payments for school expenses, such as school meals, wrap around care and school trips etc online with your debit or credit card.

We are going to have a staggered launch of this system, starting with dinner money then extra products will be added in the next few weeks. This new payment system will benefit both you as a parent and us as a school. Not only will you be able to pay for items from the comfort of your own home, but you will also be able to access your account at any time to see if there is anything you need to pay for. Pay360 will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You will not need to sign up to this system as this is done automatically through the school if we have up to date contact details. We will send you a link and a password within the next few days. This password will give you access to your Pay360 account where you can pay for any items we have requested from you.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email has changed over the Summer.

We appreciate your cooperation in the early stages of rolling this system out to you. Please remember this will go 'live' Monday 13<sup>th</sup> September.

Your sincerely

Jonny Fuller
