Summer Woodland Walk

Dear Parents/Carers

On **Thursday 6th June 2024**, Reception will be visiting Clayton Woods. This will take place in the morning from approximately 9:00am to 11:00am.

We will be investigating the natural environment, discussing the seasonal changes and completing some woodland activities including, scavenger hunts and parachute games. This is an important part of the children's learning and will form the basis for subsequent lessons.

Please see below to give permission for your child/children to attend.
